## Holy Land Tour April 2009

After performing concerts with the band this past March in the Midwest U.S. I head to the middle east and the Holy Land in April to lead worship, perform concerts and visit Holy land sites. Join me as my travel companion through the power of the Internet

each day starting April 17th as I post a blog, pictures and more to my blog page while touring Holy Land sites throughout Jordan, Israel and Egypt with stops in Bethlehem, Jerusalem, Nazareth, Galilee, Jericho, the Dead Sea, and Cairo to name a few.

The tour and daily posting start April 17th when I arrive in Amman Jordan To go to my blog page: [CLICK HERE](#)
